Commissioner for Patents

On page 2 of the specification, the "related applications" is incomplete as it does not provide the "parentage" of the pending application. Such information is critical for the examination of the claims, as well as the assigning of the application. An attempt to locate this data from the office's "palm" system was unsuccessful.

Applicant must provide the complete and correct parentage for this application, within ONE MONTH or THIRTY DAYS, whichever is longer, from the mailing date of this letter.

Any inquiry concerning this communication should be directed to Alexander Grosz at telephone number 571-272-7041.
